DECODE

The Science of Why You're Stuck

INTRO

Introduction

You are not lazy, crazy, or broken

01

Anxiety Is a Superpower

A signal, not a sickness

02

Hidden Benefits of Stuck

Your stuckness has rewards

03

The Myth of Motivation

Lazy is a trauma response

DISCOVER

The Arenas Where Stuck Lives

04

Shadow Intelligence

Befriend what you suppress

05

Crash Courses on Intimacy

Contracts, boundaries, amends

06

Friendships & Dating

Connection is medicine

07

The Unskilled Family

Skilled vs. unskilled, not good vs. bad

UNSTICK

The Path Forward

08

Trust Your Instruments

Honesty breaks the spiral

09

Becoming an Adult

Grow yourself back up

10

Let's Play

Your life, your chessboard

"You have a right to exist. You have a right to take up space on this planet."

-- Britt Frank

ACTION CARD

THE SCIENCE OF STUCK | PIN IT, KEEP IT, USE IT

DECODE

- **Rename your anxiety**
It is a signal, not a sickness
- **Run a cost-benefit audit**
Name the rewards of being stuck
- **Replace lazy with a body check**
UP = anxious, DOWN = frozen
- **Build a wellness tote**
Sensory tools for survival mode
- **Separate feelings from stories**
Body data first, narrative later
- **Make 10 micro-choices**
Choice is the antidote to freeze

DISCOVER

- **Write a letter to your shadow**
Non-dominant hand bypasses censor
- **Draft a conflict contract**
Rules before the waves crash
- **Practice the Four O's**
Own, Observe, Outline, Offer
- **Audit your family's SKILLED score**
Data, not blame
- **Assign friendship roles**
Name the gap, fill the gap
- **Reality-test your gaslighting**
Ask a trusted friend for feedback

UNSTICK

- **Run a daily OODA loop**
Observe, Orient, Decide, Act
- **Prepare for withdrawal**
Inventory your support first
- **Take one turtle step**
Least you can do, divided in half
- **Inventory your chessboard**
See the whole board, find easy moves
- **Grow yourself back up**
Name the regression, make one adult choice
- **Celebrate everything**
Good plates, good candle, today
